

# What's Love Got to Do With It?

*John Ortberg*

## DISCUSSION QUESTIONS

1. Talk as a group about the first thing that comes to mind when you hear the word “love.” Explain why.
2. John said that the number 1 source of joy and the number 1 source of pain in our lives both come from “relationships.” Talk about whether you agree or disagree with this statement, and give an example of why you feel that way.
3. Read 1 John 4:7-11 out loud. Talk about a word or phrase in the Scripture that stood out to you when you were listening. Talk about why that word or phrase is important.
4. John says, “There is a kind of love that creates value in what is loved.” Talk about how you’ve seen this kind of love at work in your own life. Specifically, talk about how God’s love has created value in your life.
5. John challenged us to look at what comes out most in our heart and our behavior when we deal with other people—is it love or something else? Talk about your closest relationship and whether or not your attitude is primarily one of love or if it is another attitude altogether.
